

Anton Ålin

(formerly Larsson)

Head of Data & BI

0737249687@proton.me · +46 73 724 96 87 · github.com/AntonAlin

Data and BI leader with over 10 years of experience at the intersection of financial data, quantitative modelling, and analytics strategy. Responsible for the data and BI agenda at Diös Fastigheter, building solutions on Microsoft Fabric, with roots in the finance industry: managed investment data and fund analysis at Morningstar, trading at IG Markets, and self-built predictive pricing models for real estate and power markets. Skilled at turning market and business data into scalable infrastructure and decision support, whether the audience is a trading desk or a boardroom.

01 Experience

APR 2025 –
PRESENT

DI Diös Fastigheter AB Head of Data & BI

- Own and drive the company-wide data and BI strategy, setting priorities and managing the backlog across all business units
